Victims Of Scientific Research

Tribal Council Leaders

Burial Ceremony

Havasu Baaja

Implications:

- ❑ Indian Tribes are now reluctant to participate in any human subject research project
- ❑ Internal Review Board (IRB) regulation have been violated
- ❑ Violation of Regulation can only result in loss of grant funding

Conclusion:

- ❑ Internal Review Board regulations need to be enforced in Tribal and Federal court systems
- ❑ Economically or educationally disadvantage group requires extra precautions
- ❑ Tribes need to be consulted for IRB regulation modification
